Thurs. 22 nd May	Parent Values Forum at 7 pm
Fri. 23 rd May	Assembly – Rooms 8 & 9
	Winter sport away vs North Beach
Wed. 28 th May	Room 7 Excursion to Tom Simpson Park

Congratulations to Sharryn, Stephanie and their many willing helpers who created a very successful “Big Night Out”. Every child I spoke to had a big smile on their face and usually a big ice-cream in their hand and the many parents and community members expressed how they were enjoying the social opportunity. Well done to the choir and musicians for their beautiful performances.

Friday was also a very happy day for the Mother’s of the Pre-Primary students. It was fantastic to see the role play and listen to the conversations of the young hairdressers and manicurists in the very busy beauty salon set up in the Pre-Primary. The Pre-Primary staff are to be congratulated for another wonderful event.

On behalf of the school community I would like to thank Michelle for her participation on the School Council. Her position is now filled by Michael.

We would like to offer the parents of Glengarry School the opportunity to receive the newsletters by Email. If you wish to take advantage of this service please send an email to the school’s email address.

It is wonderful to see all our students wearing the school uniform and remembering to wear sport shorts and house shirts on Fridays. Now that the cooler weather is here, especially in the mornings, please ensure your child wears a school jumper or school track top and not their favourite jumper which may get ripped playing footy! We are having a problem with hats so could you please check to make sure that your child has a hat at school each day.

Good luck to our interschool sport teams who are playing at home tomorrow.

Congratulations to Talisha for achieving 100 tokens. She will receive her house ribbon at the Assembly on 23rd May, 2008.

Congratulations go also to Cairo who, after winning the “Aqua International’ in France, has now been selected as the youngest member of the Australian Aerobic Gymnastic team and will be competing in the ‘Suzuki World Cup’ in Japan next month.

Well done! Honor in Room 7 has her artwork from the Shaun Tan Awards currently displayed in a Subiaco business for the next few weeks.

PHYSICAL EDUCATION NEWS

Inter-school Sport:

Last week we played Poynter Primary School. Well done to the Netball teams who had a win and to the soccer and footy teams for making us proud with your effort. Volleyball teams worked hard too. Tomorrow we play Duncraig at home and next week North Beach away. A reminder about dress:-

Soccer - school sports shorts, hat, long socks with leg pads (taped magazines in plastic will do), *mouth-guard suggested*, sports shoes or field boots – shirt is provided on loan.

Volleyball - school sports shorts, hat, school red shirt, sports shoes.

Netball - school tartan skirt, hat, school red shirt, sports shoes.

Football - school sports shorts, hat, long football socks, *mouth-guard suggested*, sports shoes or field boots – shirt is provided on loan.

N.B. School football socks are available from the uniform shop.

If it looks like wet weather, bring an extra jacket, to keep dry, for after the game.

BRING ENOUGH WATER TO LAST YOU IN YOUR DRINK BOTTLE

Jump-off and Guinness Record: WOW!!!!

Well done skippers! Thank you helpers.

We certainly burnt up some energy. Keep on skipping – next year we may be ready to showcase some teams.

If you have elected to fundraise, please have the money and form in ASAP on a Tuesday or Thursday, as we have to have all money in to apply for the prizes.

Tuesdays & Thursdays are the only days we are set up to collect money.

Fundamental Movement Tips:

We shared some ideas on how to develop co-ordination in young children. If you missed out, let me know.

Physical Education Equipment:

We have done well to stock up on sports gear. The gear in the shed is kept in kits for lesson use. Special thanks to the House Captains and Mrs Van De Kraats for helping to clean up the shed in the holidays.

Classroom Equipment:

Children's playtime gear is kept in the room. This is a varied collection of balls, flying discs & ropes. If you have anything at home, which is not used, it may be appreciated. Old car mats are needed for golf at the moment!

MOTHER'S DAY BEAUTY PARLOUR

The Pre-primary children in Rooms 14 and 16 invited their mums to a special Mothers' day Beauty Parlour on Friday 9th May. The mums were pampered and cared for by their children who gave them fabulous new hair-dos in the hair salon, painted their nails (multi-coloured), gave them shoulder massages and foot spas, read stories with their mums and served them afternoon tea. The preparation for this afternoon involved many learning areas and thinking skills, including– planning a menu for the afternoon tea (T. & E., Health) making hair dryers etc.(T. & E.), making invitations and signs (English), preparing the afternoon tea (Maths, Science), making cards, presents, pictures and bangles for mum (The Arts).

Zachary (Room 16) helping mum Simone into the foot spa!

Grace (Room 14) creating a new hairstyle for mum, Kim.

Noah (Room 16) sharing a story with mum, Debbie.

INTERSCHOOL SPORT – FROM YEAR 7, ROOM 4 STUDENTS

Interschool Football – By Caleb

The game was quite good to start with. We scored the first two goals, but Poynter came back and scored four goals three points that quarter. We weren't playing that well the second quarter, but we started coming back in the last half. We could have won the game, but the last quarter was cut short because we all had to come back to school. At the end of the game, the two leading goal kickers were Ethan and Ben, scoring two goals each. Corey was a key player, clearing the ball when he got it. The final score was Poynter 11.4 to Glengarry 6.5.

Interschool Soccer Match - By Tom

Last Friday was interschool sport day. I was in the soccer team. We all got on the bus and went to Poynter Primary School. We all tried our hardest. We lost by a few goals, but we had lots of fun.

Volleyball Match – 'A' Team - By Philippa

It was a good game, Poynter played hard and used a lot of tactics to stop us from catching the ball. Some tactics worked, but we got back up and then came a draw. We all had fun and kept in the game. The final score was 3-3.

Volleyball – "B" Team - By Elcin

We had our first game for the season against Poynter. Their school volleyball team was good. The match was over 5 sets – a team must reach 15 points to win a set. I scored a lot of points and caught a lot of balls. Even though we lost 5-0, I thought we tried hard.

Interschool Netball – 'A' Team - By Jessica

On Friday, 9th May, the year sevens had their first netball game against Poynter. It was a fast and rough game. Whenever the ball got into one goal circle the tall defenders would bring it back to the other goal circle. It was exhausting! The end score was 9 to 3 – Glengarry won after a hard match.

Netball – ‘B’ Team - By Caitlyn

It was Glengarry vs Poynter. We played at Poynter Primary. At the start everyone was nervous. during the first quarter some people were just getting used to netball. The score turned out to be 0-6. Glengarry got 6! The second quarter was getting much better, so the score turned out as 3-3. In the third quarter, someone from Poynter Primary fell over and hurt their knee, by tripping! We felt bad but it didn't stop us. The third quarter turned out to be 0-1. Glengarry got 1! In the end everyone was sweating lots. At the end the final quarter turned out to be 7-2. Glengarry once again got the 2 goals. The final score was 4-12. Glengarry won. It was our determination and confidence!

‘HOPE’ NEWS

There will be another HOPE after school activity this term, in the week of 2nd to 6th of June. Further information and permission forms will come out ahead of the next newsletter so please look out for them and send your wonderful, enthusiastic kids along!

Recycling continues at the school on Wednesday mornings before school hours. Please remember to bring in your newspapers, egg cartons, ice cream containers and aluminium cans. Not enough people are doing this at the moment, so please can we have a BIG effort.

Many thanks to Simone Dudley and family for donating a worm farm to the kindy. The kindy children will have lots of fun learning about worms, recycling their food waste and improving their kindy garden.

Barbara Pack and myself are attending the Waste Wise Schools Workshop (run by the Dept of Environment and Conservation) this Friday. This will set Glengarry on the path to becoming an official "Waste Wise School". We will keep you posted! *Alison, HOPE Coordinator*

THE BIG NIGHT OUT

Thank you to everyone for your support. I hope you all had fun. The weather held off and the night was a huge success. A special thank you to :

* Keith Greig of Lektron Electrical Solutions – for his assistance to light all the areas for the night. If you have any electrical needs we can strongly recommend Keith (Mobile- 0421 172 253). Thank you to all the people who lent us lighting equipment.

* Bakers Delight – for making all the Hotdog and Hamburger rolls and Natalie Gibson for co-ordinating this.

* Carol Munro who organized all the gift stalls and thank you to all the businesses who attended and supported us.

* Mr & Mrs Harbers for their Chocolate Wheel talents

* Zoe Healy who organized the Artshow, our teachers who made sure we had something to display and all the students for putting in their best efforts in their artwork.

* Mrs Ruscoe for her amazing ability to bring out the best talents of our singers and musicians. Bravo to the students who performed (and parents who got them organized).

* ALL the Mums, Dads and friends who cooked, cleaned, set up, co-ordinated, served and made the night fantastic.

* A personal thank you to the group who came and helped plan all this. Thanks for your time and laughter.

We managed to raise approximately \$4,000 – an outstanding effort!

If you have any feedback/suggestion regarding the night, please feel free to email me psgarcia@istnet.net.au
