The reports will be going home next Monday. If you require an interview, please organise a time with your child's teacher.

I am advising you of the availability of the Learning Area Grade Report which provides you with written information that clearly shows your child's achievement in the subjects studied compared to that of other children in your child's peer group at Glengarry Primary School. This information shows you the number of students in each of the achievement levels A – E.

If you would like this additional report, please fill in the slip at the end of the newsletter and return it to the office no later than next Thursday, 3rd July 2008.

One of our parents, Mr Martin Ramshaw, is a science teacher wishing to start up a Science Club for the students at Glengarry. This is a great opportunity for the students to follow their interests and curiosity of things around them. As Brian will be providing a lot of hands on, creative and fun activities for the students, he will require assistance from interested parents. We plan to start the club next term, initially starting with students from years 4 – 7. It will take place on Wednesday afternoon from 3 – 4.15p.m.

We wish Mrs Judy Saunders a very relaxing long service leave. Mrs Saunders will be kept busy following her many interests and we look forward to her return in 2009.

On behalf of the school community, I thank Ms Melissa Camer-Pesci for teaching room 3 students. We hope you have enjoyed your stay with us and wish you the best with your future appointments.

Well done to Megan, Mary and Jarrod for achieving their goal of 100 tokens and obtaining points for their house. They will receive their ribbons tomorrow at the assembly.

Janet Iacomella, Principal

Megan – Year 3, Room 8

Mary – Year 3, Room 8

Jarrod – Year 3, Room 8

AUSTRALIAN YOUTH PERFORMING CHOIR

This choir will host an activity for interested students from years 2-7 in the school library on Friday, 22nd August at 12.30 p.m. Our auditioner will involve the children in a singing activity. Information letters will then be distributed to the children to take home to parents who, if interested, may telephone our office to arrange an audition for their child.

FOOTY THANKS

I'd like to extend many thanks to two of our Dads, Brad Ackland and Scott O'Connell, for stepping in at short notice as our school footy coaches for the match against Poynter on Friday 6th June. They did a fantastic job and the boys played well. It was also really pleasing for me to see all the parents in attendance, supporting our boys.

Judy Cribb, Deputy Principal

YUMMY BUGS!

Room 12 children are discovering what sorts of things live in our environment. We learnt that bugs live in our environment so we decided to make some. Today we made some Yummy Bugs out of healthy foods such as – dried fruit and fresh fruit and vegetables. The best part of all was when we got to eat them. Yummy, Yummy Bugs!!
